**Manager Academy is a two-day
session designed for managers/leaders
who wish to learn how to improve
performance in their financial institution.**

The Haberfeld Manager Academy is a great opportunity for managers to gain an increased understanding and appreciation for all aspects of customer and member acquisition. Manager Academy will focus on leadership and coaching as well as other pertinent topics to achieve greater success. Attendees will also complete a DiSC® Management profile which will give insight into their personal management style and provide a better understanding of how to most effectively lead others on their teams.

SESSION CONTENT

- Understanding your DiSC® Management profile
- Leadership development
- Coaching strategies
- Goal setting
- Networking roundtables

HABERFELD WILL PROVIDE

- Two nights lodging at the Omaha Marriott Capitol District hotel
- Opening reception Tuesday evening
- Dinner at a great local restaurant Wednesday evening
- All training manuals and materials
- DiSC® Management profile assessment
- Breakfast on Wednesday and Thursday as well as lunch on Wednesday
